Invitation - Round table discussion to help prepare an Insight Development Grant application – December 18th, 10:00 a.m. to 12:00 p.m., Room 4004 at the Faculty of Social Sciences

Research Management Services, in collaboration with the Faculty of Social Sciences and the Faculty of Arts, is hosting a workshop for researchers applying to the SSHRC Insight Development Grant competition.

During this workshop, you will have the opportunity to exchange ideas with researchers who have participated as panelists on IDG committees and with IDG funded researchers. The panel discussion will focus on how to strategically position your grant to be funded, focusing on the evaluation criteria (challenge, feasibility, capability), as well as some details on the application process. Participants will then have an opportunity to ask questions and share comments with the panelists and with other researchers.

The three panelists who served as an evaluator on the Insight development grant committee and who will share their knowledge with us during the workshop are:

- Louise Frappier: Faculty of Arts
- Patti Lenard: Social Sciences
- Nicholas Ng-A-Fook: Faculty of Education

The workshop will be held on December 18 from 10:00 a.m. to 12:00 p.m. in Room 4004 at the Faculty of Social Sciences. As space is limited, please confirm your presence by sending an email to info-sgr-rms@uottawa.ca by December 14.

In addition, in order to properly prepare for the session, can you please indicate what information you are hoping to gain from the workshop as well as inform us if you are an emerging scholar or an established scholar as defined by SSHRC?

We look forward to meeting with you.
